

Your Cognitive Compass

The Path to Peace of Mind

Cognivue® objectively and reliably identifies changes in cognitive function that could be indicative of an impairment that may be optimally treated or managed.

Cognivue is a personalized, consistent and reliable way to receive an overall assessment of your cognitive health.

Highlights

- 10-minute test
- Immediate test results
- 1 simple overall score
- Secure and confidential

Empowering you to
**Take Control of Your
Cognitive Health**

**World's First FDA-Cleared
Computerized Test of Cognitive Function**

Cognitive health is a key component to your overall brain health.

Many symptoms related to memory, reasoning, language, attention, and other thought processes can be caused by underlying conditions that can be optimally treated or managed.

Talk to your physician about routine screening.
**Empower yourself to improve your cognition
and your overall quality of care and wellness.**
